It Is Easy to Own a Home of YOUR Own

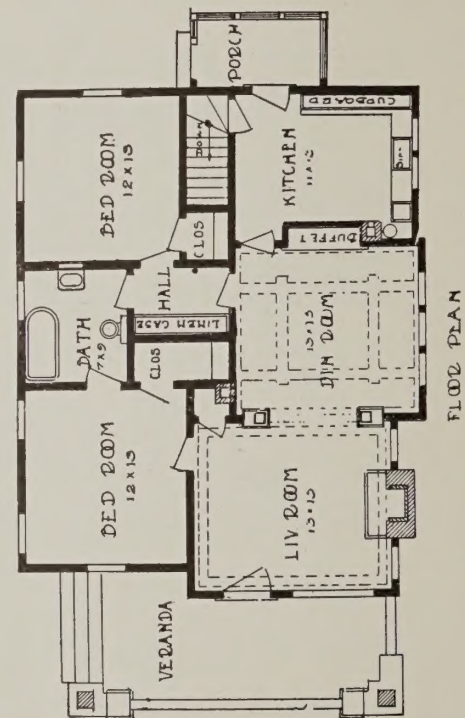

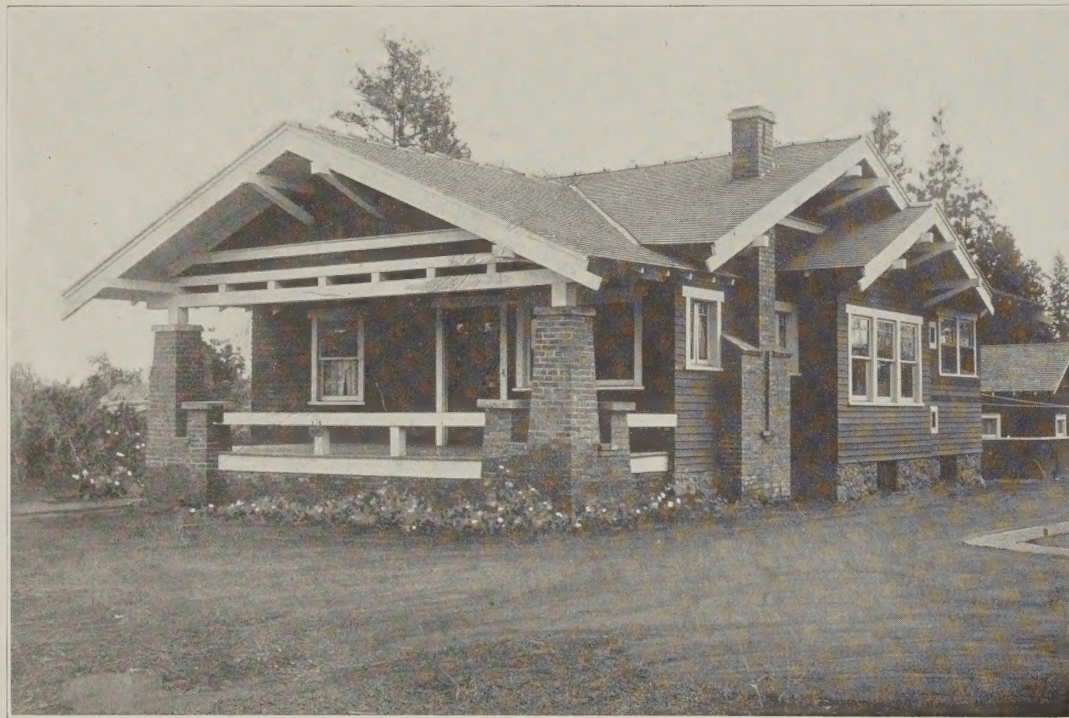

WHEN building a home the prospective builder desires to build the most attractive and practical home obtainable with the amount of money he can afford to put into it. With this thought in mind we are pleased to present this book of fifty homes; believing you will find it a great help in making your decision as to the type and style of home you will want to build.

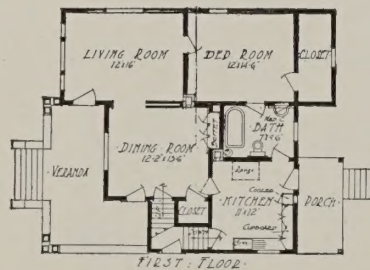

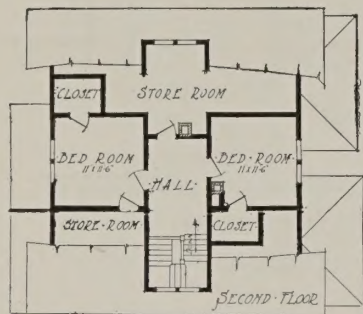

Every one of these fifty homes are “real,” actual homes, now being lived in. They have been built and proven economical.

If you are thinking of building or remodeling your present home, come in and let us help you make your plans. No obligations to you—our facilities and services are at your command.

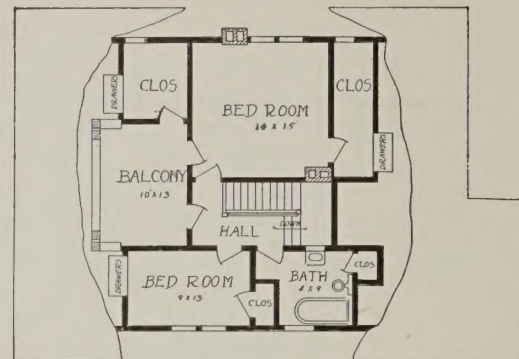

Problems of building materials, are our problems to solve; let us help you.

Advertising "Helps" That Attract Builders

To enable you to advertise your business to the prospective home builders at a nominal cost, the AMERICAN LUMBERMAN offers you the plan book and cut service as explained below.

Quantity production of course is the reason we are able to quote you such low prices for this work. Our only endeavor is to help you sell more building material and lumber at a better profit.

Your name and address will be printed on the front cover of the plan book so that it appears as your own. No other name appears in the book. This page and the back cover will be blank, the rest of the book will be as it is now.

The books will be supplied in lots of 100 or more at the following prices, which includes imprinting your name on the cover of the book:

100 books	20c a copy	500 books	17c a copy
300 books	19c a copy	1,000 books	14c a copy

Prices on larger quantities on request. Envelopes for mailing, (plain)\$1.25 per 100

COMPLETE LISTS OF MATERIAL, SPECIFICATIONS AND WORKING DRAWINGS; Per Plan.....	\$3.50
Electrotype of elevations, 4 inches wide for newspaper and other advertising	2.75
Electrotype of floor plans 2 inches wide for newspaper and other advertising	1.65

Any other information desired will be gladly furnished.
